

**A List of Persons from Various Sources who are listed
As being Buried in Old Union Cemetery,
Also known as Doctor's Fork Baptist Church Cemetery
Perryville, Kentucky
2008 Robert J. Pipes
Updated Jan 2010**

The persons listed here do **not** have any physical markers in the Cemetery as of 2008. Many of the older stones are long ago lost or broken, many have succumbed to the elements of nature and some persons may not have had the means to install a marker with the passing of a loved one. Many of these are infants and children and the small markers do not have a long survival rate.

There are other names that possibly should be on this list, such as Michael Harmon Sr. and his Wife Margaret. They were living close by, have many descendants buried here and logically would have been buried here, but no documentation exists for this.

This list was arrived at by taking a physical inventory with photographs of the Cemetery markers in 2007 and 2008 by myself with help from my sons Jason and Taylor, Jason's wife Petra Esterle, Mary Rall and Robert Mayes. I then compared my Physical inventory list with 6 other lists and sources of persons who are listed or mentioned as being buried in the Cemetery. **All known persons who were mentioned in these other lists and sources but no longer show in the physical Inventory are listed here.** I continue to gather such data and Dennis Gray for one has information gathered from old records and various sources including Ethyl McGraw, who was very knowledgeable about local history. That info has yet to be included in this list. Also, the Boyle County Genealogical Association has a new printed version of the Boyle County Cemetery Book and that has not been reviewed for this list because I do not have one yet.

Please note that some names are mentioned in several of the sources, while others are not.

Here is a list of my sources for this list:

S1 - Pgs 155 & 156 copied from a book listing Cemeteries in Boyle County. Name is misplaced. I will add it when I figure it out.

S2 - Boyle Co. Cemetery Book, pub by Boyle Co. Gen Assoc. 1992 edition

S3 - Old Union Cemetery List compiled for USGEN WEB project by Marie Case Crain.

S4 - A physical inventory with historical based additions compiled by John Sheperon, taken 1995 to 2006.

S5 - Extracted notes from Newspaper Microfilms (years 1880 to 1920) about the Aliceton/Haysville/Brumfield/Gravel Switch area. John Sheperon took notes during countless hours spent looking at a microfilm reader. These notes often contained brief mentions of deaths and where the person was buried.

S6 - (GSCH) The 2007 Edition of the "Gravel Switch Kentucky Community History" Book. This book has short biographical sketches and often mentions where the person is buried. This source was added in the Jan 2010 update to this list. I did NOT go back and check every name in the list to see if it was in the GSCH book or not. 4 names were added to the list as they were discovered in the book. I may go back and do that later this year.
